

Treetop Trekking Season Pass Agreement

Please return a signed copy of this agreement along with an image of each pass holder that clearly shows their face (to print on their pass) by email to ally@treetoptrekking.com

As a Treetop Trekking season pass holder I understand and agree to the following terms and conditions:

- A reservation is required for each 3-hour timeslot you wish to climb – we will do our best to accommodate walk-ups but can't guarantee we will have space for you.
- Season pass holders must complete an orientation at the start of each visit.
- Pass holders are still required to climb through our courses on a graduated system, starting each visit on the beginner courses and gradually working their way up to the advanced courses as time allows.
- Those aged 9-11 and/or under 60" tall are only eligible to climb the beginner and intermediate courses and must have an adult climbing with them at all times.
- Season passes are non transferable, non-refundable, all sales are final.
- Adult to child ratios still apply (15 and under need adult in park, 11 and under need adult climbing ratio 3:1)
- Season passes can only be used by the person appearing on the card.
- If you do not honour a reservation twice you will no longer have the privilege to make a reservation.
- Season pass sales are final and refunds or extensions will not be granted.
- **Failure to follow park rules and regulations can result in the suspension or termination of season pass privileges.**
- I will have tonnes of fun during each visit to a Treetop Trekking park!
